Alexa, ask Instant Pot to find an easy vegetarian meal

WHAT CAN I SAY?

The skill will guide you with questions and prompts. These are some of the things you can say.

1

While browsing recipes:

Next
Previous
Start

2

While searching for recipes:

Skip
Doesn't Matter

At any point:

Repeat
Pause
Start Over
Help
Quit

3

What you can do:

Search for recipes
Skip any questions you aren't sure about
Check out the ingredients needed
Prepare the recipe as you are guided through the instructions

You can search by:

Ingredients (chicken, potatoes, onions)
Cuisine (Italian, French, Chinese)
Meal type (breakfast, dinner, soup)
Dietary preference (vegan, low fat, dairy free)
Difficulty (easy, medium, difficult)
Duration (less than 45 minutes)

If you want to interrupt Alexa at any point, say "Alexa" and she will start listening to you.
